

Safeguarding and Child Protection Ofsted Criteria Guidelines

Kidsafe makes significant contributions to support schools in Safeguarding pupils.

These guidelines are :-

- Designed to help head teachers with documentation regarding safeguarding and child protection criteria when they deliver Kidsafe programmes.
- aimed to help all schools to be 'good' and 'outstanding' in encouraging pupils to be aware of their own safety and supporting staff to be aware of the guidance they need to give to pupils both in and out of school.

Sections with Kidsafe relevance have been selected from the **Ofsted school inspection handbook January 2015, No. 120101**

The following document is intended to be amended to represent school's actual implementation of Kidsafe programmes. Please insert and delete as appropriate.

Kidsafe helps meet Ofsted requirements but was **not** introduced to cover Ofsted standards.

Full Programme/Full Programme 2 = FP Domestic Abuse = HS DA Homophobic Bullying = HS HB Early Years Programme = EYFS

Selected aspects of Ofsted School Inspection* requirements corresponding with Kidsafe UK workshops having being delivered.

All Kidsafe programmes are based on good practice and are delivered without shattering pupils' innocence.

Kidsafe Aims:

- To help pupils protect themselves against all forms of abuse.
- All groups of pupils feel safe at school and at all alternative provision placements at all times.
- Pupils understand very clearly what constitutes unsafe situations and are highly aware of how to keep safe, including in relation to e-safety.

How Kidsafe meets criteria from the evaluation schedule: Schools registered with Kidsafe, and committing to having at least one Kidsafe trained tutor within school, deliver a variety of age appropriate safeguarding workshops helping pupils to keep themselves safe in a variety of situations. Workshops can be linked in the annual cyber safety/e-safety week, when the main messages of the workshop can be re-visited and re-enforced.

Delivering the full programme helps meet criteria: - The Kidsafe trained tutor delivers a comprehensive 6 session safeguarding programme to all pupils in school, potentially annually, giving pupils very simple but effective strategies to deal with all forms of child abuse. The age appropriate programme covers sexual abuse, physical abuse, emotional and domestic abuse. It also includes an in-depth e-safety section which gives children strategies to deal with inappropriate images, setting firewalls, privacy settings and enables children to make healthy choices around what technology they are accessing, watching and playing. There are various additional workshops aimed at specific age groups and to meet specific needs. Pupils are fully aware of different forms of bullying including cyber bullying and actively try to prevent it from occurring.

Matching Kidsafe with Ofsted criteria:

Where specific Kidsafe sessions match Ofsted requirements they are coded as follows:

- Full Programme/Full Programme 2 = FP Domestic Abuse = HS DA Homophobic Bullying = HS HB Early Years Programme = EYFS
Cyber Bullying = CB AS = Additional Scenarios

General:

- Kidsafe tutor/s will be named adult/s in school (picture/s of the tutor/s can be displayed so pupils know who they can talk to. This supports the school's commitment to safeguarding pupils. Pupils recognise the Kidsafe tutor is an absolute trusted adult.
- Pupils have a shared vocabulary for expressing feelings with their peers, with staff and their parents/carers.
- School staff deliver each session so pupils know how to ask the adults in school for help and are reassured that they will listen to them.
- The Kidsafe programme is fully inclusive
- Pupils learn that they are in charge of the decisions they make and can say 'no' e.g. when faced with peer pressure, or any inappropriate behaviour by an adult or child.

<p><u>Sections selected for Kidsafe relevance</u></p>	<p>Ofsted criteria met through Kidsafe: Only trained tutors can lead the programme. A uniform (T shirt) is worn and recognised by pupils and they know the adult can be trusted in the delivery of the programme/sessions. Parents helping in school cannot be in the sessions. This could prevent a pupil from disclosing something.</p>	
<p>129</p>	<p>Evaluating how well individuals benefit from the education provide by their school</p>	<p>Kidsafe is written and delivered to include all pupils: disabled, SEN, pupils with protected characteristic, gender, highest and lowest attainers and disadvantaged pupils (pupil premium). Kidsafe is delivered at the appropriate age and developmental level in registered schools. Appropriate training given to tutors to deliver to each age group; kinaesthetic teaching method used; tutors report and evaluate the value of each programme to Kidsafe promoters and to the stakeholders of the school; tutors report to staff, LT and governors. Also by encouraging schools to provide extra access to the programme for pupils where there is concern. Tutors receive annual training updates.</p>

132	<p>The moral development of pupils is shown by their:</p> <ul style="list-style-type: none"> ■ ability to recognise the difference between right and wrong, readily apply this understanding in their own lives and, in so doing, respect the civil and criminal law of England ■ understanding of the consequences of their behaviour and actions ■ interest in investigating and offering reasoned views about moral and ethical issues, and being able to understand and appreciate the viewpoints of others on these issues. 	<p>FP, EYFS, HS HB and HS DA: Pupils are taught to identify when something doesn't feel right and then do something about it. HS HB/HS DA emphasise 16 as legal age of consent. FP: Pupils are invited to discuss how children might be feeling when they are being bullied etc. Pupils are invited to solve problems for the puppet when he shares them. These problems are differentiated to be age appropriate</p>
133	<p>The social development of pupils is shown by their:</p> <ul style="list-style-type: none"> ■ use of a range of social skills in different contexts, including working and socialising with pupils from different religious, ethnic and socio-economic backgrounds ■ willingness to participate in a variety of communities and social settings, including by volunteering, cooperating well with others and being able to resolve conflicts effectively 	<p>FP: Pupils are taught to say 'no' assertively. 	<ul style="list-style-type: none"> ■ acceptance and engagement with the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the pupils develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain. 	<p>workshops encourage pupils to understand how others, as well as themselves, might be feeling and to respect each other.</p> <p>AS: FP additional scenarios allow pupils to address issues to do with 'difference'. Pupils who are feeling good about themselves will be in a better position to contribute positively to modern Britain.</p>
134	<p>The cultural development of pupils is shown by their:</p> <ul style="list-style-type: none"> ■ interest in exploring, improving understanding of and showing respect for different faiths and cultural diversity, and the extent to which they understand, accept, respect and celebrate diversity, as shown by their tolerance and attitudes towards different religious, ethnic and socio economic groups in the local, national and global communities. 	<p>All Kidsafe workshops encourage respect, and therefore tolerance, for others.</p>
146	<p>Quality of leadership in and management of the school Inspectors should consider how well leaders, managers and governors pursue excellence, modelling professional standards in all of their work for example through:</p> <ul style="list-style-type: none"> ■ having the highest expectations for social behaviour among the pupils and staff, so that respect and courtesy are the norm ■ the consistent application of policies and procedures, in particular in relation to reading, 	<p>Kidsafe leaders (tutors) set high expectations of behaviour in workshops with the rules of Good listening and Respecting each other emphasised at the start of every lesson. Kidsafe principles are explained at staff and governors meetings to ensure relevant messages, vocabulary and expectations are known to and understood by all. Messages from the programme are displayed in the school and key vocabulary is known and used by staff and pupils. The school's LT model behaviour and have appropriate strategies and policies in place to enforce respect and courtesy.</p> <p>Kidsafe messages about behaviour pervade the school. FP Rules for Children are on display in classrooms.</p>

147	<p>Inspectors should consider the effectiveness of monitoring and evaluation and the extent to which it is shared with governors. This includes monitoring and evaluation of:</p> <ul style="list-style-type: none"> ■ the satisfaction levels of pupils and their parents 	<p>All Kidsafe programmes require pupils to respond to how they feel about the sessions in one of three ways: 'thumbs', group feedback, and written feedback. Parent/cares are invited to an information session prior to the delivery of FP. Feedback from parents/cares is welcome. Letters are sent home after each session so parents are fully informed. Through delivering the Kidsafe programme in school parents/carers are made aware of the school's commitment to safeguarding children. Because the Kidsafe programme provides children with a shared set of keeping safe rules they understand that the school supports them and that they can provide help if necessary.</p>

152	<p>Inspectors should consider how well leadership and management ensure that the curriculum:</p> <ul style="list-style-type: none"> ■ is broad and balanced, complies with legislation and provides a wide range of subjects, preparing pupils for the opportunities, responsibilities and experiences of later life in modern Britain; inspectors should not expect to see a particular range of subjects but should be alert to any unexplained narrowness in the breadth of curriculum being offered by the school ■ actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs ■ focuses on the necessary priorities for ensuring that all pupils make excellent progress in reading, writing and mathematics ■ promotes high levels of achievement and good behaviour ■ information about what is taught in the curriculum each year is shared with parents and carers, including by meeting the statutory requirement to make curriculum information available on the school's website ■ promotes tolerance of and respect for people of all faiths (or those of no faith), races, genders, ages, disability and sexual orientations (and other groups with protected characteristics) through the effective spiritual, 	<p>Delivery of Kidsafe workshops underpins attitudes in all areas of the curriculum with transferable skills both for pupils now and in their future lives. E.g. FP work on trust, assertiveness - saying 'no', speaking out if something doesn't feel right.</p> <p>All Kidsafe workshops promote individual liberty by empowering pupils to speak out if something doesn't feel right. Kidsafe workshops encourage pupils to understand how others, as well as themselves, might be feeling and to respect each other. In FP the pupils are given a set of class rules regarding how they should behave towards others and they towards them. Every Kidsafe session has the rules of Good listening and Respecting each other.</p> <p>AS: FP additional scenarios allow pupils to address issues to do with 'difference'. Pupils experiencing problems who use the strategies taught through Kidsafe and are having their fears addressed will hopefully be in a better position to make good progress with their school work.</p> <p>See above.</p> <p>FP: Parents and carers are invited to attend meetings prior to the sessions taking place. Pupils take letters home following each session to outline what has been covered. School (may) inform parents and carers about Kidsafe work via the school's website.</p> <p>FP and HS HB encourage respect for difference of any sort.</p> <p>All Kidsafe workshops are well planned and messages are taught effectively using a carefully crafted script to ensure messages are delivered consistently.</p>

157	<p>Inspectors should consider the effectiveness of safeguarding arrangements to ensure that there is safe recruitment and that all pupils are safe. This includes the:</p> <ul style="list-style-type: none"> ■ maintenance of the single central record and appropriate arrangements for child protection ■ effectiveness with which a school identifies any pupils who may be at risk, using a case study approach based on concerns about individual pupils that may have originated either inside or outside the school ■ action taken following any serious incident ■ effectiveness of the arrangements for safeguarding pupils who are educated wholly or partly off-site at a unit run by the school or at alternative provision ■ approach to keeping pupils safe from the dangers of radicalisation and extremism, and what is done when it is suspected that pupils are vulnerable to these ■ promotion of safe practices and a culture of safety, including e-safety. 	<p>Kidsafe units deliver strategies directly to the pupils which enable them to protect themselves and speak out when something has happened to them.</p> <p>Kidsafe tutors are reminded about their school's policies with regard to reporting.</p> <p>Kidsafe units are one of the ways via which pupils may disclose inappropriate things that have happened to them and therefore help identify pupils at risk. Kidsafe training informs tutors about handling potential disclosure and the script is delivered in such a way that tutors do not seek disclosure.</p> <p>Kidsafe may be being delivered in a nurture group and 1 to 1. Kidsafe tutors are reminded about their school's policies with regard to reporting.</p> <p>HS DA and HS HB delivered to Y9 and above could be adapted to address these issues.</p> <p>Kidsafe also lets the children know that they are in charge of the decisions they make and can say no, e.g. when faced with peer pressure.</p> <p>FP: Pupils keep themselves safe by being taught to keep what to do if something doesn't feel right. CB: e-safety workshop encourages safe use of all technology</p>

158	<p>When evaluating the effectiveness of leaders, managers and governors, inspectors should gather evidence about the use of the pupil premium in relation to the following key issues:</p> <ul style="list-style-type: none"> ■ how the school has spent the pupil premium and why it has decided to spend it in the way it has ■ any differences made to the learning and progress of disadvantaged pupils as shown by performance data and inspection evidence. 	<p>Kidsafe annual registration fees, and costing of necessary timetable arrangements, are an effective use of pupil premium money in terms of pupil safety and wellbeing.</p> <p>Evidence of improvement in self-esteem and reduction in bullying and cyber bullying incidents following the introduction of Kidsafe. Tutors keep a track of vulnerable groups reporting issues of safety and consider these against the progress of pupils.</p>
