Medical Information

If your child has recently developed medical needs, please contact the school and inform us as soon as possible. In order for us to ensure that your child is looked after in school, it is essential that we are aware of the specific needs of all children. It is the responsibility of parent/carers to ensure school is informed of any medical needs and that appropriate, up to date medication is always in school.

Remember to Keep up to Date with our Website!

Just a reminder for parent / carers that all information about school (holiday dates, events, letters, school calendar and newsletters) are available on our website: www.hadrianprimary.org

Prepare for the Sun

As the weather is becoming sunnier we need to be aware of the dangers of exposure to the sun. We have a 15-minute break on the morning and afternoon. On a lunchtime break the children can spend over 45 minutes in the sun. In order to protect our children please consider using a long-lasting sun cream on a morning before coming to school. Staff however, are not able to administer sun creams to your child. Your child may however apply cream themselves prior to lunch break.

A peaked hat could help avoid the glare of the sun and even sunburn. Your child can hang their hat in the cloakroom, and use it at break times.

Please don't forget to pack your child's water bottle. On hot days, regular drinks of water are essential. Chilling your child's water bottle overnight makes a big difference.

Preloved Uniform Scheme

Just a reminder to parents/carers, that we now have a preloved uniform in school.

Anyone can access this scheme by emailing:

preloveduniform@hadrian.s-tyneside.sch.uk and letting us know what we can help you with. Once we have it all ready, we will send you an email, and this can be picked up at any time from the office. All this will be done in the strictest of confidence.

Any uniform can be donated to school and your child is welcome to bring it to the office or hand it to their class teacher.

New Reception Intake Meeting Reminder

The meeting for parents who have children in Nursery who will be moving into Reception in September, will be held on **Monday 30th June**. The meeting will take place in the main school hall, beginning at **3.40pm** promptly.

We look forward to seeing you then!

Keep your Bikes and Scooters Locked!

Parents / carers and children please be aware that you should make sure all bikes/scooters etc that are left on school premises are locked up securely.

School cannot be held responsible for any loss or damage that occurs.
