3.6 School admin/office staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

- Transfer calls from parents/carers to the head teacher/ the designated senior leader/Inclusion Manager in order to provide them with more detailed support on attendance

3.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call or email (absence@hadrian.s-tyneside.sch.uk) the school to report their child's absence before 9am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day. If appointments are made within school time, appointment cards/text messages must be shared with school as proof of appointment.

3.8 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording Attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry

- The reason for the amendment
- The date on which the amendment was made

See appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age. Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55am on each school day.

The register for the first session will be taken at 9.00am and will be kept open until 9.15am. The register for the second session will be taken at 1.00pm and will be kept open until 1.15pm for Juniors. For the Infants, the register will be taken at 1.15pm and will close at 1.30pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as practically possible by calling or emailing the school office staff (see also section 7).

Parents/carers can call the school office and speak to a member of staff to report an absence. If no one is available, they will be able to leave a message in the absence mailbox. Alternatively, parents/carers can report an absence via email at: absence@hadrian.s-tyneside.sch.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

In cases of sickness and vomiting, in line with HSC Public Health Agency guidelines, pupils will need to be absent from school for 48 hours following the last bout of vomiting. However, this may be challenged for children who meet the persistent absentee criteria or children who are vulnerable.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such

as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provide evidence of the appointment (i.e. appointment card/text message).

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise. This should be done by collecting a holiday request form from the school office and returning it to school as soon as possible.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as late after registration, using the appropriate code

Should a child continually demonstrate punctuality issues, a member of the team will contact parents to discuss the reasons around the lateness and offer support if appropriate.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact social services or the Local Authority attendance team.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session

- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer.
- All reasons for absence are recorded on the school administration system.

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels as part of their termly interim reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

In line with legislation, we define 'exceptional circumstances' as one-off events which are unavoidable. Examples may include: the death of a close relative; attendance at a funeral; respite care of a child looked after by the Local Authority; or a housing crisis which prevents attendance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least four weeks before the absence, and in accordance with any leave of absence request form, accessible via collection from the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart

- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The Local Authority may issue a fine (known as a fixed-penalty notice) to parents/carers for unauthorised absence of their child from school, where the child is of compulsory school age. If issued with one, you'll need to pay this directly to the local authority:

Penalty Notice Fines (PNF)

First time offence: £160 per parent, per child, within 28 days, reduced to £80 per parent, per child, if paid within 21 days.

Second time offence: (within 3 years from the date of issue of the first penalty notice) £160 per parent, per child paid within 28 days.

Third time offence: (within 3 years from the date of issue of the first penalty notice) The third time an offence is committed for term time leave or irregular attendance, a penalty notice will not be issued and the case will be presented to magistrates' court. Fines can be up to £2500 per parent, per child.

Penalty notices can be issued by the Local Authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

School will always try and work with parents/carers to improve attendance and punctuality. Support will be offered where appropriate to assist families with improving attendance.

Attendance has a high profile at Hadrian Primary School. Class levels of attendance are published each week on the school website and there are weekly class attendance awards presented in assemblies on a Friday morning.

7. Attendance monitoring

As a school we monitor attendance and absence data closely on a daily basis. However, we also look at patterns of absence data for groups of children e.g. boys and girls. If a pattern is identified, then this group will be monitored more closely and the attendance team will attempt to identify any barriers which may be contributing to the absences. The team will then look at why these barriers may be an issue and look at ways they can be removed or support can be provided to overcome them.

7.1 Monitoring attendance

The School Will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Provide access to wider support services to remove the barriers to attendance.

Where there are concerns around unauthorised absence, school will monitor the attendance of the child or children identified over a half term period. If there are further concerns, school will write to parents to arrange a meeting to discuss ways in which we can support a successful return to school. Following this meeting, there will be a further period of monitoring to ensure unauthorised absence has improved. If unauthorised absence has not improved, it may be appropriate to involve the education welfare officer and/or the Local Authority attendance team.

Children who are persistent absentees may be subject to a home visit during a period of absence of three days or more. This is a safeguarding and welfare check as well as an opportunity to offer any help or support to ensure children return to school as soon as possible. These visits will take place regardless of parental contact and or communication relating to the child's absence.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by the headteacher/ the designated senior leader/ attendance team. At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
